HIS STORY SAMPLE SCRIPT

INSIGHT _ John, Mary, Mary Magdalene and Peter state that the Gospel is reliable.

Peter: “Make disciples of all nations” You know Jesus also told me to feed and take care of His sheep. He kept saying that when He was asking me if I loved Him. This book you are writing John... it really could be a great way of letting people know about Jesus, but do you think they will believe what is written in a book, especially in hundreds or thousands of years time?

John: Well..... I am going to tell people that they can believe in what I write because I was actually there. I will testify that what I write is the truth.

Peter: (with sincerity) Well said John. .

Mary Magdalene: (warmly puts her arm around him whilst Mary looks on smiling) Yes well said John.

Mary: And if some doubt you John then they should never doubt the One that you write about.

Peter: That’s right Jesus committed no sin and never once told a lie.

Mary Magdalene: Everyone can be sure that whatever He has promised will come true. :
